

SOMERSET ACADEMY SKY POINTE

Guitar Studies End-of-Year Showcase

**Director: Jarod Sanchez
Date: May 7th 6pm-7pm
Time: 6:00 PM**

Welcome

Welcome to the Somerset Academy Sky Pointe Guitar Studies Spring Concert. Tonight's performance represents the culmination of months of work in technique, musicianship, and ensemble performance across all levels of the program.

Students have developed skills in note reading, rhythm, tone production, and ensemble playing. This concert highlights that growth from beginning to advanced levels.

Thank you for your continued support of the Guitar Studies program.

Pre-Show Conservatory Spotlight Recital

5:30-6:00 PM

Entry Music: Tyler Gleim Quartet Performing: "Ivy" by Frank Ocean

Conservatory Spotlight Recital: Kacen Nakasone

This recital recognizes Kacen's 5 years of dedication and growth within the Guitar Studies program. As he prepares to enter Advanced Guitar, this performance highlights his commitment to musicianship and excellence.
