STUDENT HANDBOOK

Please reference the Student/Parent Handbook for additional information regarding grading, behavior, and Sky Pointe expectations.

ATTENDANCE

Attendance is extremely important and is a focus at Somerset Academy. The state of Nevada tracks student attendance and Somerset is held accountable for students attending school. Aside from state reporting, students need to learn the life skill of arriving on time to school every day. This also aligns with our vision of students being successful in future college and careers. You cannot be successful at college or in a career unless you are present in class and/or on the job. Students may earn attendance incentives for coming to school on time every day.

Students who have been absent more than 9 days (excused or unexcused) per semester will have limited, or be restricted from, participation in field trips and possible restriction from school wide events. If your child is absent from school, please remember to go to our school's website www.somersetskypointe.org and select REPORT ABSENCE within 3 school days after their return, or the absence will be deemed unexcused. The only excused absence per the state is a doctor's note.

After 9 unexcused class periods (excused or unexcused) per course, per semester, students are subject to loss of credit for the course.

Students must attend school the day they are involved in sports practice, games, event nights, or extra-curricular activities to participate in that day. Please remember that your child needs to be on time and in school every day to learn. There are only 180 days in a school year: therefore, every minute of learning counts!

In accordance with school daily attendance policies, students must be physically present in school for a minimum of 2/3's of the school day or period (middle/high school students) to be counted as present for attendance purposes. For each day a student is absent, parents/guardians must submit supporting documentation explaining the reason for the absence. Documentation submitted more than 3 days (72 hours) after the student's return to school will not be accepted, and the absence(s) will be deemed unexcused. Students with excessive absences will be referred to administration. Excessive absences may result in the student's report card reflecting insufficient attendance for

receiving a grade, credit and/or being promoted to the next grade level. If a student is more than 20 minutes late to class, he/she will be marked absent.

Make-up Work for Absences

If the absences are excused, all educational requirements for the course shall be met before a passing grade and/or credit is assigned. The student shall have up to three (3) school days to complete make-up work for each absence.

GRADING

Students will be graded on the following categories:

Category	Assessment Weight
Summative Assessment	(60%)
Formative assessment	(40%)

A minimum of 3 formative assessments will precede each summative assessment per quarter. There will be a minimum of 3 summative assessments per quarter. The purpose of grades is to provide effective and timely feedback to students, parents, and the school administration about a student's progress towards mastery of the established standards for a particular course or subject. Students will be graded on a 0–100-point scale, with the following grade equivalents:

90-100%	=	A	Consistently Exceeds Standards
80-89%	=	B	Consistently Meets Standards
70-79%	=	C	Approaching Standards
60-69%	=	D	Emergent
0-59%	=	F	Does Not Meet Standards

Semester exams shall be comprehensive of the material covered during the semester and may be worth up to, but not exceed, 10% of the student's final semester grade. Final semester grades shall reflect assignments and assessments completed throughout the semester and the final exam grade. Semester grades will be calculated as follows:

Quarter 1/2	=	45%
Quarter 3/4	=	45%
Semester Exam	=	10%
Semester Grade	=	100%

Retake Policy

Students who do not do well on a summative assessment may request an opportunity to retake the assessment. Students will be given the retake assessment after completing the expected prep work to show they are prepared to retake the assessment. **You may retake a playing test if you feel that you have improved the music.** Retakes must be completed before the last week of the quarter under the discretion of the teacher.

Late Work

ASSIGNMENTS ARE DUE ON THE DUE DATE. For extenuating circumstances, late assignments may be handed in within one week of the due date. Assignments submitted more than one week late do not need to be accepted by the teacher. Late assignments will not be accepted during the last week of the quarter.

Minimum F and Missing Assignments

Minimum F (50%) will be utilized. To qualify for a Minimum F, the assignment must be completed and handed in within the time frame for the assignment. **Missing assignments will receive a zero.**
